

The background of the middle section is a photograph of the Aspire Tower in Doha, Qatar, at night. The tower's unique, curved architecture is illuminated with warm lights, and its reflection is visible in the water in the foreground. A large, semi-transparent white 'X' graphic is overlaid on the left side of the image, extending from the top left towards the center.

COMPANY **PROFILE**

About Us

We are a leading construction and contracting company dedicated to providing exceptional services to our clients. With our expertise and commitment to excellence, we deliver projects that exceed expectations.

ABAD X (ABAD X Trading and Contracting Services W.L.L) was established in 2017 in the Qatar Chamber of Commerce to provide Contracting and Sub-Contracting work for Civil, Electro-Mechanical, Infrastructure work including Hospitality and Cleaning Services. With over 8 years of experience in the Construction Industry, we aim to be the market leader in everything we do by ensuring that every project is successfully completed on time, within budget, with the highest quality, and in full compliance with project specifications and international standards in Qatar.

ABAD X has successfully completed projects of all sizes — from Residential Buildings to Large Commercial Developments.

◆ Mission ◆

Our mission is to transform the construction industry through innovative practices, sustainable solutions, and unwavering commitment to excellence. We aim to establish ourselves as a global leader in construction, setting the standard for quality, efficiency, and client satisfaction. By embracing cutting-edge technology and fostering a culture of continuous improvement, we strive to deliver exceptional value in every project we undertake. Our goal is to expand our presence internationally while making a positive impact on communities and the environment. Through collaboration, expertise, and dedication, we are dedicated to shaping a brighter future for the construction industry and beyond.

◆ Vision ◆

Our vision is to revolutionize the construction industry by embracing innovation, sustainability, and excellence. We strive to be the benchmark for quality and efficiency in every project we undertake. Our ambition is to expand our footprint beyond Qatar, establishing a global presence and becoming synonymous with cutting-edge construction practices. We aim to foster a culture of continuous improvement and collaboration, leveraging technology and expertise to deliver unparalleled value to our clients and stakeholders. By pursuing our vision with unwavering dedication, we aspire to shape the future of construction, leaving a lasting impact on communities and the environment.

◆ What We Do?

■ Overview Interior Decorations

Interior Designers are Creative... Interior decorating is the art of decorating a residential home or commercial business according to a client's personal preferences and style, it includes selecting color schemes, flooring materials, furniture, artwork, and accessories. It transforms an area into an aesthetically pleasing and budget-friendly design.

■ Fire Alarm & Fire Fighting

We provide Engineering, Fabrication Engineering. Drawing Services, Installation, Testing-Commissioning & Maintenance of Fire Alarm Fix Fighting, Fire Suppression System, etc...

■ Manpower Services

We serve as a vital link between organizations seeking skilled talent and individuals in search of meaningful employment opportunities. By bridging this gap, we help companies build strong teams and empower job seekers to achieve their career goals.

We use modern construction methods to ensure safe, high-quality, and on-time project delivery."
